Florence Mytum Ceramics

About us

Florence Mytum Ceramics was founded by British artist Flo, who uses her background as a sculptor to design and create bold, colourful and tactile ceramics. After completing an MA from the Slade School of Fine Art in 2018 Flo built a career as an installation artist before launching Florence Mytum Ceramics.

Flo creates sculptural vases, playful mugs and colourful candle holders, all individually handmade in East London. Florence Mytum Ceramics celebrate the joy of colour, whilst bridging the gap between decorative, sculptural and functional homeware. Florence Mytum Ceramics are for those looking to invest in joyful, unique and handcrafted pieces for their homes.
